Have you sent YOUR 5 GENERATION CHART IN yet? We are in need of more to print in the newsletter and also we will possibly be publishing them in the not to distant future. We would like to have at least one for each member, so get them in the mail to us right away while you are thinking of it.

Have you seen the volume of members 5 Generation Charts recently published by O.G.S.? Absolutely sensational!!! Too bad some of us didn't send ours in. (I 'm one of the guilty ones, and am I ever sorry now.)

Please remember when filling out charts or any kind of forms to always use black ink or pencil, or type,Do not use blue ink as it usually will not photocopy.
